TENNESSEE HOSA-FUTURE HEALTH PROFESSIONALS

SEPTEMBER 12, 2022

OFFICER SPOTLIGHT

Tetteybea Addo: President

“My name is Tetteybea Addo, and I am so excited this year to serve as Tennessee HOSA-Future Health Professionals President. To get to know me a little better, I attend Union University in the heart of Jackson, Tennessee where I am majoring in Biochemistry. With this path, I hope to one day become a pediatric dentist or podiatrist. I would also consider myself to be a coffee connoisseur, and a small fun fact about me is that I don’t have a favorite color.”

2022-23 TENNESSEE HOSA-FUTURE HEALTH PROFESSIONALS EXECUTIVE COUNCIL

Our Tennessee HOSA State Executive Council are available for chapter visits. If your chapter would like to request an official officer visit for a meeting or function please Click Here. Please note visits must be requested 14 days prior to the needed date. We will do our best to accommodate all requests. Please note that some locations in the state may require a virtual visit due to travel distances for the officers.
FALL LEADERSHIP CAMP

Registration for Fall Leadership Camp will be open Sept. 19-23 or until registration reaches capacity. Space is limited at camp so please register ASAP if you plan on attending. The cost for camp is $175 per attendee. This includes 2 nights of lodging, 5 meals, t-shirt, activities and camp supplies. Camp will be held Oct.21-23 at Camp Widjiwagan in Antioch, TN. Information can be found on the Tennessee HOSA website or by clicking HERE.

COMPETITIVE EVENTS

As we prepare for Regional events the Conference Management team has completed a chart showing what events will be held at the different levels of competition. This year the Regional level will be limited to the events that can be completed by online testing. Those events will require participants to place in the top 5 regionally to advance to the State Leadership Conference events in April. Those events marked as “State Only” will be held at the State Leadership Conference and not at the regional level. The chart can be found on the Tennessee HOSA website or by clicking HERE.

AFFILIATION IS NOW OPEN!

Affiliation for the 2022-23 school year is now open. Affiliation costs include membership dues for International HOSA and Tennessee HOSA. Dues for each member are $14. It is vital this year that all advisor and member emails are entered when affiliating your chapter. If possible, have members use an email that is not a school email.

Checks for affiliation dues should be sent to:
HOSA-Future Health Professionals
548 Silicon Drive, Ste. 101
Southlake, TX 76092

NEW MEMBERSHIP CAMPAIGN

This year we would like to set a goal for memberships to be in the HOSA system. This date will assist you by having all of your members in prior to registration portals opening up. That date will be Oct. 15 Members can be added later than that date if needed. Advisors will receive new Tennessee HOSA swag if affiliation is complete by this date.
